XMAS

In a short time we will display a beautiful line of Xmas gifts, and about Dec. 3rd we will have on show one of the Best Lines of strong, durable and entertaining Toys ever stocked in Monitor.

Our gifts are useful as well as ornamental, and one word regarding prices. Mr. Kennedy, the proprietor, has written that owing to the crop failure in this district, it is advisable to mark these lines as low as possible, and our exceedingly heavy stock will also force us to make a sacrifice. Don't get excited, wait, there will surely be something to please each and every one of you, and you may rest assured that you cannot save money by sending away. How many times, each Christmas, have we heard, "Oh, my, how sorry I am now that I sent away for my Xmas gifts, yours are so much nicer, and our toys came all smashed up. Now we have to buy over again. What have you left?"

Don't be afraid, you will not be disappointed if you leave it to us this year.

A full line of Christmas Cards, Decorations, Candles and holders, Dolls by the hundred, Games, Fancy Jap hand painted China, Toilet Sets, Jewellery, Kodaks, Books, Etc., Etc.

Fresh shipment of Moirs Chocolates, just arrived. They are the Best.

Yours for Good Things

BUSY BIDEFORD

Bideford had a celebration on Wednesday night, in honor of Victory, and, incidentally, to help along the sale of Victory Bonds.

Monitor came down in large numbers, along with their Band who rendered an excellent program of patriotic music. Compeer also sent along a delegation. A bonfire shed forth its rays of heat and light to the crowds gathered round. Many took advantage of the occasion and signed up for a Bond.

Some person or persons, with a poor sense of humor, had the temerity to decorate one of our local stores with a liberal supply of yellow paint.

Some Of The Terms Which
Germany Signed

Evacuation of Belgium, Alsace-Lorraine, France and Luxembourg, within 14 days.

Surrender in good condition the following German equipment: 5000 big guns, 30,000 machine guns, 3000 trench guns, and 2000 aeroplanes.

Evacuation by the German armies of all land west of the Rhine River, in Germany.

The German navy surrenders 100 submarines, 50 destroyers, 6 battle cruisers, 10 battleships, 8 light cruisers and 2 mine layers, all to be fully equipped.

All other German war craft to be disarmed.

All Allied prisoners to be freed.

All German troops to be removed from Russia, Rumania and Turkey.

Surrender to the Allies 10,000 motor lorries, 50,000 wagons, 5000 locomotives, together with all equipment and spare parts.

Jack Canuck—Storekeeper

IN Manitoba, Saskatchewan and Alberta Jack Canuck is running an immense produce business these days.

He has millions of bushels of grain; boat loads of flour; vast herds of cattle, sheep and pigs; butter, cheese and poultry and other food supplies by the trainload.

The customers at his counter are Great Britain, France and Italy, whose credit is unquestionable, but who are just now short of cash. So Jack Canuck in order to sell his goods must give his customers credit until the war is won.

It is just the same situation that confronts every

storekeeper who gives farmers credit until their crops are harvested.

So Jack Canuck borrows money on Victory Bonds in order to give credit to his customers.

He pays good interest on Victory Bonds. He offers as security all Canada and everything contained therein.

By issuing Victory Bonds Jack Canuck keeps his big business going—and all the money he borrows from Canadians he spends in Canada.

* * * *

We must buy Victory Bonds in order that the business of Jack Canuck shall remain prosperous and healthy.

We must buy Victory Bonds in order that our brave and gallant army shall have food, clothing and ammunition to win complete Victory over the enemies of our country.

Note and Comment

While the flu epidemic is still
raging through the province,
the town of Monitor presents a
clean bill of health, without a
single case of the flu. This is
without a doubt, due to the
strict observance of the order
calling for the wearing of a
mask, over the nose and mouth.
While there are scores of flu
cases all around the country,
the town itself is free, and to
Constable Sam English is due a
great amount of credit for the
able and efficient manner in
which he has kept the masking
order enforced, during the past
three weeks. Const. English
has treated all alike, without
fear or favor, and everybody
wears a mask.

In Milwaukee they talk of
selling beer by the ounce. So
different here in Alberta. We
only see it in the movies.

A new disease, at least none
of the "germs" have been in
evidence for many moons, got
a hold in town, only among the
men, at the tail end of last
week. It worked quicker than
the flu, and seemed to affect the
legs and heads of the "patients"
and many of the braves in-
dulged in fistie encounters, after
a few draws on the can.

The end of the war had to be
celebrated and so the boys went
to like olden times!

Monitor has gone over the
top in the Victory Loan and
has won the Honor Flag, along
with two crowns. The local
Loan Committee has spent a lot
of time and energy in getting
the campaign going and keep-
ing it going. This district was
allotted the sum of \$25,000 to
raise in Victory Bonds, and up
to date, \$20,000 has been sub-
scribed. The loan closes to-
morrow night, so if you have
not already bought your Bonds
now is the time to get busy be-
fore it is too late.

The Conservation Controller
has ruled that babies' diapers
must be made smaller. We
protest against this attack on
the rear of Canadian infancy.

The success of the Victory
Loan is absolutely essential to
the prosperity of Canada and
every class and individual in
Canada.

Compeer Celebrates
Victory

Compeer held a monster cele-
bration, last Friday, in honor
of Victory and the Victory
Loan. A huge bonfire was kept
burning during the proceedings
around which the crowd gather-
ed. About forty people from
Monitor, including the Band,
motored to Compeer and helped
along with the doin's. An ef-
figy of the Kaiser was burned
at the stake, amid rousing
cheers. The Monitor Victory
Loan Committee made an ap-
pel for subscriptions to the
Loan, L. O. Gould and Rev. W.
S. Wickenden giving addresses.
\$2100 was signed up before the
crowd dispersed. Compeer is
out to win the Honor Flag for
their district.

How Many Crowns for
Your Honor Flag?

Of course every city, town and district
will earn its Honor Flag.

But how about the crowns?

For every twenty-five per cent. in
excess of its quota, each city, town and
district will be entitled to add a crown to
its flag.

Can you do fifty per cent. better than
your quota—that means two crowns for
your Honor Flag.

But double your quota and it means
four crowns.

Hang a Flag in your hall, that for
years to come will show that your city,
town or district did better than well—

That it was a real factor in the huge
success of CANADA'S VICTORY
LOAN 1918.

The flu quarantine at Kirriemuir was lifted, last Monday, and the town opened again for business.

Word was received this week that Wallace Willey had died, at Moose Jaw. Wallace left here, last month, to work in the harvest fields near Moose Jaw, and he was taken down with the flu.

Howard Evans, who is up in the north country with a bunch of cattle, had the misfortune to meet with a painful mishap by having his left shoulder dislocated. The accident happened while he was hitching up a team of colts.

Ayling & Morris, Kirriemuir, are having a two-weeks sale. See their ad on another page.

Tomorrow is your last chance to buy that Victory Bond. Get busy now.

A new restaurant will be opened, shortly, in the store north of Henry Ford's.

A representative of The Capital Optical Co., of Edmonton, will visit this town one day each month, his next visit will be on Thursday Nov. 21st, from 12 to 3 p. m. This is a good opportunity to have your eyes examined free by a reliable firm. Advt.

On the first Sunday after the ban is lifted off public gatherings a United Service of Thanksgiving will be held in Monitor. The Anglican, Lutheran and Methodist ministers will all take part in the Service. The Brass Band has kindly promised to assist. Further particulars will be announced later.

The members of the Monitor Brass Band deserve a lot of praise for creditable manner in which they have helped to boost along the Victory Loan, by giving their services freely and unstintedly. They also greatly assisted in the Victory celebrations.

We have had just about as many dust storms, this year, as we can comfortably digest. A change in the menu will be endorsed by all and sundry.

The Bank will trust you

Perhaps you never had an account in a bank—maybe you've never done business in a bank—hardly even cashed a cheque in one. But—

that is no reason why you cannot go to a bank and borrow money to buy Victory Bonds.

If you are a steady, industrious, thrifty citizen, working and saving a part of your income, you are just the kind of person Canada's chartered banks stand ready to help to-day.

Any bank will lend you as much money as you can save during the next twelve months, with which to buy Victory Bonds.

All you have to do is to pay ten per cent. of the amount you want to buy and deposit the receipt for that ten per cent. in the bank.

The bank will lend you the 90 per cent. balance at $5\frac{1}{2}$ per cent. interest and will give you a year to repay it, the interest you get on your bond being just the same as the bank charges you.

This is a fine opportunity for you to begin a real savings account, to make a first class investment and to help your country at the same time.

Why not see a banker to-day—he will tell you all about it and you will be glad of the advice and help he can give you.
